FIRM HONOURS FOUNDING MEMBER THROUGH DONATION TO THE 2010 CARIFTA GAMES

Higgs & Johnson generously donated to The 2010 Caribbean Free Trade Association's Junior Track & Field Championships ("CARIFTA"). CARIFTA has been held every year for the past 39 years and showcases the talent of the young athletes in the various Caribbean nations.

Higgs & Johnson was eager to contribute to the event in honour of its founding partner Mr. Truman Bodden, former Minister of Sports, for his involvement in the development of sports in the Cayman Islands. President of CI Athletics Association Mr. Rayle Roberts (center) accepts the donation from Partners Ms. Gina Berry (left) and Mr. Chris Narborough (right).
