Recommended Attorney

Higgs & Johnson is pleased to congratulate its Partner, Christel Sands-Feaste, for receiving the exclusive title of *Recommended Attorney in Mergers & Acquisitions* by Global Law Experts ("GLE") for The Bahamas. GLE is the premier exclusive guide and referral service to leading legal professionals throughout the world and has become a valuable tool for business leaders, in-house counsel, high net-worth individuals, operations directors, investors, accountants, banks, and the general population looking for quality legal advice in all corners of the world and in all relevant fields. They now recommend nearly 2,000 lawyers from 140 countries in 30 practice areas.

Mrs. Sands-Feaste is a member of the firm's Commercial Law, Securities and Private Client and Wealth Management Practice Groups with extensive legal experience in corporate and commercial law and international trust and company administration. She has acted in all aspects of commercial transactions including mergers and acquisitions, asset financing, private placements of offshore securities, investment fund structuring and creation and estate planning.
