She has been accepted by the College of Law (London) to pursue the LPC course. She indicated, “I have a strong interest in Corporate, Commercial and Maritime Law and would like to pursue these areas upon my return to the Cayman Islands.”

Regional Managing Partner, Derek N. Jones stated, “The firm believes, as do I, that a good education is a key component in the pursuit of excellence. After reviewing all the applicants it was clear that Ridhiima demonstrated outstanding academic ability and achievements. We wish her much success in achieving her future goals.”
