

23 August, 2011

Dear Clients and Colleagues,

Please be advised that the offices of Higgs & Johnson in The Bahamas and H&J Corporate Services Ltd. will be closed temporarily as of **Wednesday 24 August, 2011** due to the approach within 24 hours of **Hurricane Irene**, a severe weather system in the ATLANTIC OCEAN.

Individual attorneys will endeavour to remain available for electronic communications for as long as wireless connectivity permits but, depending on the severity of the storm, it might be very difficult, if not impossible, to reach us by phone or e-mail while we are experiencing hurricane conditions. Our targeted reopening date is **Friday 26 August, 2011**.

If you have an active matter and are unable to reach the responsible H&J attorney, please contact one of the following individuals:
