

## HIGGS & JOHNSON

Counsel & Attorneys-at-Law

### IN SUPPORT OF THE CAYMAN RED CROSS

*(L-R) Derek N. Jones, Regional Managing Partner; Jondo Obi, CIRC's Director; and Chris Narborough, Partner*

Local law firm, Higgs & Johnson, recently made a donation to the Cayman Islands Red Cross ("CIRC") as the CIRC commemorates 50 years of service to the Cayman Islands. The CIRC was founded in 1961 and its initial goal was to assist the communities with hurricane preparation. It has since expanded to include a number of humanitarian programs and services such as first aid, a thrift shop, HIV awareness and disaster management.

Regional Managing Partner, Derek N. Jones noted, "On behalf of the partners, I wish to congratulate the Cayman Islands Red Cross for 50 years of excellent service. We recognize that this would have not been possible without the consistent financial support from the corporate community. We wish the Red Cross continued success".
