Counsel & Attorneys-at-Law

PARTNER IS SPOKESWOMAN FOR NATIONAL LEE DENIM DAY 2009

Higgs & Johnson partner, Mrs. Zarina Fitzgerald, (pictured left) agreed to be the 2009 spokeswoman for the National Lee Denim Day. A breast cancer survivor since 2006 she stated, 'My hope is that my adversity may be of benefit to others, especially in the area of early detection'.

This week Mrs. Fitzgerald appeared on the local morning television show 'Bahamas at Sunrise' and spoke during a show on 'Island FM'. For the remainder of the month she will also be participating in other Breast Cancer Awareness activities.

Today she traveled through out Nassau to schools and organizations where photos of persons wearing their t-shirts and jeans were taken.

Higgs & Johnson employees were also given a relaxed dress code in order to show support of Lee Denim Day (pictured below).
