FIRM SPONSORS ANNUAL ROTARY CLUB OF ABACO SIDEWALK CHALK COMPETITION

Higgs & Johnson supported the 2011 Sidewalk Chalk Art Festival in Abaco. It was organized by the Rotary Club of Abaco in conjunction with the Bahamas National Trust's Art for the Parks. The purpose of the fundraiser was to raise \$3,000 for a leadership conference for all of the Interact Clubs in the Bahamas scheduled to be held in February at the Abaco Beach Resort.

Kate Sims, pictured left, incorporated the firm's logo along with other images that she thought truly represented The Bahamas. Kate, aged 10, is a grade 5 student at Agape Christian School. Her entry won First Place in the Most Original category.

Higgs & Johnson wishes to extend congratulations to Kate on her winning entry. The firm remains committed to sponsoring charitable organizations that aid in the education and overall improvement of the Bahamian youth.
