Partner Receives the STEP George Tasker Award

Higgs & Johnson wishes to congratulate its partner, Ms. Heather L Thompson (pictured above), on winning the Society of Trust & Estate Practitioners (STEP) 'George Tasker Outstanding Achievement Award, 2009' under the Caribbean and Latin America category. This award is granted to members who have made an exceptional and outstanding long term contribution to the Society above and beyond that normally expected of a member through office in his or her branch or elsewhere in the voluntary life of the Society.

Ms. Thompson thanked STEP Bahamas stating, "I really appreciate the recommendation and would like to convey my sincere thanks to the whole committee for the nomination and their confidence in me."

Ms. Thompson is a founding member and past chairperson of STEP in The Bahamas and a former member of STEP's Council. She spoke earlier this year at both the Caribbean and Canada conferences, respectively.
